MISSION STATEMENT

To promote and enhance the safety and health of all employees of the member organizations of the safety council, through communications, training, sharing of skills and expertise among council members.

April 18th, 2007 – Minutes

Christie Hagan of Randstad hosted the meeting and provided lunch. Present at the meeting were: George White (Hughes-Parker), Becky Gustafson (Star Physical Therapy), Diane Ezell (Modern Renovators), Beth Keaton (Chamber of Commerce), Barbara Norman (LUS), Mark Jent (Dura), Andy McCormick (Crockett Hospital), Tom Gattis (Graphic Packaging), Mary Sue Troup (Country Cottage), Janet Wright (Miller Drilling)

Old Business

- Minutes from the March meeting were reviewed and approved.
- June is National Safety Month. Mary Sue and Christie had suggested we place an ad in the local newspaper publishing safety tips for the elderly. This would provide some useful information to the community as well as getting some good publicity for the Council. This was approved.
- The October Safety Conference was discussed again. Andy McCormick will schedule a sub-committee meeting in the next couple of weeks for the conference planning group to decide if we want to have a one or two day event.

New Business

Beth Keaton suggested the Council look into placing some of the money in the Council's account into a 6 or 10 month CD or possibly move the account into a money market account. A 10-month CD is currently drawing 5.2% interest with a \$2000 minimum deposit. Dian Ezell will investigate our options with First Volunteer Bank and report back

Treasurer Report

- As of 4/18/2007 the LCSC had a balance of \$8726.11

Next Meeting

- Our next meeting will be May 23th at Dura Automotive Systems. Hope to see you there!
