

Lawrence County Safety Council

Darryl Thomason, President – Lawrenceburg, TN 38464 - (931) 762-1675

MISSION STATEMENT

To promote and enhance the safety and health of all employees of the member organizations of the safety council, through communications, training, sharing of skills and expertise among council members.

June 28, 2006 – Minutes

Modine hosted the June meeting of the Lawrence County Safety Council with 11 members in attendance. Darryl Thomason, LCSC President, conducted the meeting.

Treasurer Report

- As of 6/28/2006 we have a balance of \$8115.96.

Old Business

- The minutes from the April meeting were reviewed and approved by the group.
- Three member facilities sponsor a blood drive at least once per year, Modine, Dura and the City of Lawrenceburg.
- The LCSC is sponsoring a needy child at 4-H camp this summer. Camp begins July 10th.

New Business

- The domain name for our website is set to expire July 2nd. The group voted to renew this for the next 3 years.
- As mentioned in April's minutes, 4 proposals were submitted for review/discussion by the Council as potential projects with two being essentially the same. They were: A) continue with the AED project of providing 2 to 3 units per year, depending on funds, to Community Clubs, Volunteer Fire Halls, Schools, Churches. A committee would be formed to review applicants and decide who would receive the matching funds. B) Adhere to the LCSC's Mission Statement and use the meetings to discuss problems, near misses etc... that each have at our facilities and brainstorm for possible solutions. C) Change the Mission Statement and become more of a community oriented group. D) Since Lawrence County has so many small "mom and pop" industries that could benefit from the Council and its members, try and get the word out to these shops that might not have the funding for safety training that they could benefit from the safety council's umbrella.
- The Council also discussed the need for a set agenda for each meeting.

Next Meeting

- Our next meeting is August 23, 2006 at Graphic Packaging. Hope to see you there!
- If you have an item you'd like placed on the agenda email me at jent.m@duraauto.com.
