July 25th, 2007 – Minutes

Dian Ezell of Modern Renovators hosted the meeting and provided lunch. Present at the meeting were: Dan and Debbie Eiser (Blueberries on the Buffalo), Becky Gustafson (Star Physical Therapy), Bill Pettus (LUS), Barbara Norman (LUS), Christie Hagan (Randstad), Margie Osborn (LUS), Tom Gattis (Graphic Packaging), Mark Jent (Dura Automotive Systems) along with several guests.

Old Business

- Minutes from the June meeting were reviewed and approved by the group.
- A CD was set up at First Volunteer for the Council in the amount of \$5000.00. This was approved at the last meeting and the required signatures have signed the note.
- A request came in for the Council to fund half the cost for 5 or 6 AED's for the county schools. The group reviewed what each one of us could remember of the original discussion we had on this issue, and it was decided that we needed to define our guidelines on the purchase of AED's. Dan Eiser volunteered to fine tune our program and establish some written guidelines or requirements that organizations need to meet in order for the Council to help purchase these.
- The October Safety Conference has been set for a one day event October 16th. Columbia State Community College (Lawrenceburg campus) will allow us to use their facilities again this year. During this meeting, the group discussed several potential programs to be offered. Electrical codes, two TOSHA classes, First Aid/CPR, DOT HazMat Worker, and Workplace Ergonomics. Tom is going to contact TOSHA to see if they have instructors available.
