GUEST-Patrick Hite (State of Tennessee)

Andy McCormick, President called meeting to order

Beth Keaton-Treasurer – gave an update on the current CD balance and checking account balance. CD is due on 12/26/08. The balance is 5,265.88 and checking account balance is \$3,866.62.

OLD Business:

Vicki and Miranda from Lawrence County High School came by and thanked the council for the AED.

Tom Gattis is still looking into quotes for the LCSC web-site. He has two names to contact and the LCSC will vote at the November meeting.

Mike Humphreys from Loretto Telephone expressed an interest in purchasing and AED. We voted that a member can purchase an AED and the committee will match. Guidelines and policies were discussed about the process of purchasing an AED. Anyone interested in the policy can email Bill Pettus at bpettus@lburgus.com

New Business:

AED for Loretto High School should be in this week.

PROGRAM: Low Back Pain

Andy discussed low back pain. Back pain is either acute or chronic. Exercise is the key and advised to stay active. Some doctors write prescriptions for medication to see if it will work and not send to PT for a week or so. The sooner someone can begin PT the better. Patients need to keep moving and work on the target area through physical therapy.

If you would like more information you may contact Andy.

Lawrence County Safety Council – November Meeting

Wednesday, November 19th (this is the 3rd Wednesday of the month due to Thanksgiving the following week)
